Foundation starts quest for better world at party

Phil Mancini and Mark Schlanger hosted a party recently at Michael's On East Wine Cellar, a perfect space that made for an elegant and intimate evening.

The purpose was to introduce the Better World Foundation for Children to the world of Sarasota.

Gisele Pintchuck had a gala penciled in for the cause April 5, 2008, but after Jody Kielbasa remarked that the date was already circled for one of his [Sarasota Film Festival](#) major galas, Pintchuck and Better World Foundation founder Schlanger appeared to be going back to the drawing board for a new date.

Also on hand to meet and greet were Schlanger's son, Lee, and his date, Jennifer Robacker; Kim Mancini; new film fest president Ian Black; and his wife, Rosann Argenti.
